TYPHOON

D I V E R A N G E

Stay under water longer and in greater comfort to marvel at the secret world of the deep. Flexibility and warmth feature in Typhoon's dive suits and there are plenty of design features to keep the water out and to let you move freely, while the all-important storage pockets are great for tools. Add in all the dive accessories you need – masks, snorkels, fins, knives and gloves, and you'll be fully equipped for an adventure into the blue.
